WELCOME TO FAMILYCARE HEALTH PLANS

At FamilyCare Health Plans, Inc. we know you need information to make the health care decisions that are right for you. For example, you need to know how your health plan works and which health care providers are covered by your plan. You will find details about how your plan works in health plan documents such as your Summary of Benefits or Evidence of Coverage. This FamilyCare Health Plans provider directory is an introduction to the network of health care professionals contracted with us through our Medicare programs - PremierCare Advantage Rx, PremierCare Choice, PremierCare Choice Rx, and PremierCare Plus. You will find providers who are covered by your plan by referring to this directory and our website at www.familycareinc.org.

This directory was current at the time it was printed, but please remember that a provider's status is subject to change. A provider's listing in this directory does not guarantee that the provider is still contracted with the FamilyCare Health Plans network or accepting new patients. It is a good idea to call the provider's office to confirm if they are still in our plan network before you receive services. The current contracting status of any provider may be obtained by calling our Customer Service department at (866) 798-CARE (2273), or for the hearing and speech impaired TDD/TYY (800) 735-2900, Monday through Friday, 8:00 a.m. to 8:00 p.m., except holidays.

Or you can visit our website at www.familycareinc.org.

SERVICE AREA

PremierCare Advantage Rx, PremierCare Choice Rx and PremierCare Choice (our traditional Medicare Advantage plans) are available to all Medicare enrollees with Medicare Parts A and B and is offered in Multnomah, Clackamas, Washington and Clatsop Counties in the State of Oregon.

PremierCare Plus (our special needs plan) is for Medicare enrollees with Medicare Parts A and B that are also eligible for Medicaid. PremierCare Plus is offered in Clackamas, Multnomah, Umatilla and Morrow Counties in the State of Oregon.

We offer a uniform benefit package for each of our plans and maintain the network of Participating Providers to meet our Members' access needs. Members of FamilyCare Health Plans must live in our service area to join one of our plans.

HOW TO OBTAIN CARE

This provider directory lists the providers, specialists and hospitals who will provide your health care, with FamilyCare Health Plans Medicare Programs. As a member of FamilyCare Health Plans, you will select a Primary Care Physician (PCP) from our directory of Participating Providers. If you would like assistance in selecting a PCP, you may call our Customer Service department. If your selected PCP was not your previous PCP, we encourage you to contact your new PCP as soon as possible to schedule a check up. The relationship between you and your PCP is the most important feature of this plan. It is important to call or see your PCP each time you seek care.

OFFICE VISITS & APPOINTMENTS

It is very simple to schedule an appointment with your PCP – simply call your Provider’s office and request an appointment. There are no special rules to follow. Appointments are scheduled according to the type of medical care you are requesting. Medical conditions requiring more immediate attention are scheduled sooner. Your Provider’s office operates on an appointment basis. To make an appointment, call your Provider’s office during their office hours and be prepared to provide your name, membership number, date of birth, reason for the appointment, and your phone number.

It is important to arrive early for your first appointment to complete registration information. Please arrive on time for all appointments and call 24 hours in advance if you cannot keep an appointment. If you have difficulty scheduling an appointment, you may call our Customer Service department or your Care Coordinator for assistance at (866) 798-CARE (2273), or for the hearing and speech impaired TDD/TYY (800) 735-2900, Monday through Friday, 8:00 a.m. to 8:00 p.m., except holidays.

RECEIVING AFTER HOURS CARE

If you need to talk to or see your provider after their office has closed for the day, call the provider’s office. There will always be a provider on call to help you. This provider will call you back to discuss your care.

CLAIMS

Providers should submit bills to FamilyCare Health Plans for payment. However, if they refuse and you paid for any emergency services, out-of-area urgently needed services, or out-of-area dialysis services obtained from out-of-network providers, you should submit your itemized bill(s) and proof of payment to FamilyCare Health Plans for a payment determination. Include all of the following information on a separate sheet attached to a copy of the bill:

1. Your name, address and membership number from your membership card
2. A statement that you are a FamilyCare Health Plans member
3. Name, address and telephone number of the provider of service (if not on the bill);
4. Date of each service and reason for service (if this information is not stated on the bill)

Bills should be submitted to the following address:

FamilyCare Health Plans, Inc.
2121 SW Broadway, Suite 300
Portland, OR 97201

IMPORTANT NOTE: If you pay a bill for emergency or urgently needed care, or receive a bill from an out-of-network provider, submit the bill to FamilyCare Health Plans for processing and determination of enrollee liability, if any. Be sure to obtain a receipt and a description of the services provided. If you have an emergency or need urgent care while temporarily out of the service area, you will be covered. A temporary absence from the service area is an absence of six consecutive months or less. If you move or travel and do not intend to return to the service area within six consecutive months, your absence is not considered temporary, and you will be disenrolled. Please refer to your PremierCare Plan Member Handbook for information regarding moving out of the service area.

EMERGENCY SERVICES

Our PremierCare Medicare plans cover emergency services anywhere in the world. Emergency services means covered inpatient and outpatient services that are:

- a) Furnished by a provider qualified to furnish emergency services; and
- b) Needed to evaluate or stabilize your medical condition in an emergency

An emergency medical condition means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, with an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in:

1. Serious jeopardy to the health of an individual, or in the case of a pregnant woman, the health of the woman or her unborn child;
2. Serious impairment of bodily functions; or
3. Serious dysfunction of any bodily organ or part.

In the event of an emergency, call 911 or the emergency medical service available in your community. If emergency room services are required, go to the nearest hospital or emergency room. Our PremierCare plans will cover services incurred during an emergency whether the member is in or out of the service area. You should notify FamilyCare Health Plans of any hospitalization within 48 hours, or as soon as reasonably possible.

URGENT CARE SERVICES

Urgently needed services are defined as covered services provided when a member is temporarily absent from the service area when such services are medically necessary and immediately required:

1. As a result of an unforeseen illness, injury or condition; and
2. It was not reasonable give the circumstances to obtain the services through a network provider.

If you have a sudden illness or injury that is not a medical emergency, and you are in the plan's service area, please call your PCP first. There will always be a health professional on call to help you. Keep in mind that if you have an urgent need for care while you are in the plan's service area, we expect you to get this care from plan providers. In most cases, we will not pay for urgently needed care that you get from a non-plan provider while you are in the plan's service area.

If you have an Emergency after hours and need to speak with a FamilyCare Health Plans staff member, you should call (866) 798-2273 and leave a message with the nurse. They will contact the appropriate personnel.

A 24-hour, 7 days a week nurse advice service, is also available at this number to provide our members with health information and immediate advice.

If you are temporarily absent from the plan service area (six consecutive months or less), then go directly to the nearest urgent care center or hospital emergency room. Contact our Customer Service department at (866) 798-CARE (2273), or for the hearing and speech impaired TDD/TTY (800) 735-2900, Monday through Friday, 8:00 a.m. to 8:00 p.m., except holidays for assistance within 48 hours, or as soon as reasonably possible, so that we can coordinate any follow up care that may be needed. Urgent Care within the service area is available from plan providers at plan facilities. If you require urgent care within the plan service area, please call your in-network provider, he/she can direct you to the most appropriate facility for care.

24 HOUR NURSE ADVICE LINE

No matter where you are, you're never more than a phone call away from the health information you need. Registered nurses are available around the clock to assist you in making healthcare decisions. These nurses are available to you 24 hours a day, 365 days a year to give you advice.

If you have an urgent (but non-emergency) medical situation and need professional advice, you may call our Nurse Advice Line toll-free at: (866) 798-2273

No questions is too minor, no concern is too small. Remember, if you think you are experiencing an emergency, call 911 immediately. If you simply need information on how to deal with a medical situation, call our 24 hour Nurse Advice Line.

POST-STABILIZATION SERVICES

Post-stabilization services are medically necessary covered services related to an emergency medical condition that are provided after you are stabilized in order to maintain the stabilized condition. Your PremierCare plan covers post-stabilization care following the administration of emergency services to stabilize or evaluate an emergency medical condition. Your follow-up care (post-stabilization care) will be covered according to Medicare guidelines. In general, we will try to arrange for plan providers to take over your care as soon as your medical condition and the circumstances allow.

HOSPITAL SERVICES

Your primary care provider or participating specialist will arrange most of the non-emergency hospital services that you need and will help ensure that they are provided at a participating hospital. To be sure that you are receiving services from a participating facility, consult the lists in this directory or call one of our Customer Service representatives. The lists in this directory are subject to change.

Remember that many hospital services and procedures require prior authorization. Review your plan Summary of Benefits or Evidence of Coverage, talk with your primary care provider or call us when you want to confirm whether or not a service or procedure needs to be authorized before it is provided. In most cases, your provider will actually initiate the process and request authorization whenever it is required. Please note, however that you are ultimately responsible for ensuring prior authorization is obtained from us. Network services requiring prior authorization are covered only if

prior authorization has been obtained from us. To get a complete list of benefits requiring prior authorization, please contact our Customer Service department at (866) 798-CARE (2273), or for the hearing and speech impaired TDD/TTY (800) 735-2900, Monday through Friday, 8:00 a.m. to 8:00 p.m., except holidays.

QUESTIONS?

Call our Customer Service department at (866) 798-2273, or for the hearing and speech impaired TDD/TTY (800) 735-2900, Monday through Friday, 8:00 a.m. to 8:00 p.m., except holidays.

Our Medicare Prescription Drug Benefit is only available to members of PremierCare Choice Rx, PremierCare Advantage Rx, and PremierCare Plus.

You are eligible to enroll if you are entitled to Medicare benefits under Part A and are enrolled in Part B and reside in our service area.

You may enroll in a plan only during specific times of the year. Please contact our Customer Service Department to obtain more information.

You must receive all routine care from plan providers. If you obtain routine care from out-of-plan providers neither Medicare nor FamilyCare Health Plans will be responsible for costs.

You must continue to pay your Medicare Part B premium if not otherwise paid for under Medicaid or by another third-party.

For full information on FamilyCare Health Plans Medicare benefits, call our Customer Service Department at 866-798-CARE or TTY 800-735-2900.

We are here for you Monday – Friday, 8:00 a.m. to 8:00 p.m.

We have extended hours during Open Enrollment - contact us for details.

FamilyCare Health Plans is a Medicare Advantage Organization with a Medicare Contract. Our contract with the CMS is renewed annually and the availability of coverage beyond the end of the current contract year is not guaranteed.

You may be able to get extra help to pay for your prescription drug premiums and costs. To see if you qualify for getting extra help, call:

1-800-MEDICARE (1-800-633-4227).
TTY/TDD users should call 1-877-486-2048
24 hours a day/7 days a week;

The Social Security Administration at
1-800-772-1213 between 7 a.m. and 7 p.m.,
Monday through Friday.

TTY/TDD users should call 1-800-325-0778; or
Your State Medicaid Office
