

Instructions for downloading the FamilyCare, Inc. Formulary

Category A: You have never visited the ePocrates web site

1. Connect to the Internet and go to: www.epocrates.com.
2. Click on "Products" at the top of the page to see the complete list of ePocrates products.
3. Select the version of the ePocrates application that best meets your needs. (Note that **ALL** versions include the ePocrates clinical drug and formulary information.)
 - a. ePocrates Rx® – basic version available for free on a Palm OS PDA.
 - b. ePocrates Rx Pro™ – premium version available on a Palm OS or Pocket PC PDA.
 - c. ePocrates Rx Online™ – premium version available on a desktop computer.
4. Click on "Sign up now" and complete the registration form.
5. Complete the purchase process if applicable.
6. Follow directions to complete the download and installation.
7. Select the "FamilyCare, Inc." Formulary (under "Oregon" on the formulary selection page).
8. Auto Update your PDA frequently to receive updates from FamilyCare, Inc. and ePocrates.

Category B: You have visited the ePocrates web site and registered but never downloaded any applications, or you are using a new (or recently re-set) handheld device

1. Connect to the Internet and go to: www.epocrates.com.
